## LESSONS FROM NOAH'S ARK

### *A journey shared*

**L**ord, watch over  
our parish,  
encouraging us  
to watch with one  
another as  
we seek to know your will.  
Make us gentle in word,  
kind in spirit,  
strong in hope  
and guide us,  
ever gently  
along that road of peace  
that leads to your door;  
a door that will always open

1. Don't miss the boat.
2. Remember that we're all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the Ark.
4. Don't listen to critics; just get on with the job.
5. Build your future on high ground.
6. For the sake of safety travel in pairs.
7. Speed isn't always an advantage. The snails were on board with the cheetahs.
8. When you're stressed, float a while.
9. No matter the storm, when you're with God, there's always a rainbow waiting.
