REMEMBER THAT TIME

Can you remember a time when someone gave you a second chance? Maybe it was a teacher in class, a boss at work, a parent, family member or a spouse. Something had gone wrong, or more accurately put, you had gotten or done something wrong and you thought that you were in trouble. Preparing for the worst, you awaited your fate and, maybe even worked yourself into a state of panic.

Then, the weight was lifted from you. "You are okay, don't worry about it." "I understand." "I forgive you."

Relief like you never imagined envelops you. There is a real sense of gratitude and a renewed determination to be a better person. You see the person who has given you the second chance in a new and blessed light.

There was a man like this in today's gospel. His debt was pardoned but his gratitude was short-lived as he turned angrily on another. The story is all too real.

Maybe this week will give us the opportunity to do better by another. Don't miss that opportunity.

A PRAYER FOR OUR PARISH

Lord, watch over our parish,
encouraging us to watch with one
another as we seek to know your
will.
Make us gentle in word,
kind in spirit,
strong in hope
and guide us,
ever gently
along that road of peace
that leads to your door;
a door that will always open
to the knock of faithful people.
Amen.
